

Patrick “Joe” Driscoll, a hero aboard Flight 93 along with the crew and the other passengers, stood tall and stopped Flight 93 from hitting its target in Washington, D.C.

Chris Gray, a young aspiring “Wall Street” Executive, on that fateful day began yet another innocent and ambitious morning as an Exchange Trader, for the Cantor Fitzgerald Company, in the World Trade Center.

Tom McCann, a 23 year veteran of the FDNY, and one more day closer to his retirement, only four months away, was one of the first responders to the initial attack and unfortunately made the ultimate sacrifice to help others, as he has done his entire life.

Join us and walk with family, friends and the community as we celebrate the lives of “Joe” Driscoll, Chris Gray, and Tom McCann, three of the thousands of heroes who tragically lost their lives on 9/11, and give comfort to their families.

Patrick “Joe” Driscoll, a Manalapan resident for 35 years, was killed on September 11th, 2001, aboard United Airlines Flight #93 in the attack on America. A great athlete and outdoorsman, Joe was heading to Yosemite National Park in California for his annual hiking trip when terrorists hijacked Flight # 93. Joe and his wife Maureen were looking forward to celebrating their 44th wedding anniversary that year. He was a father of four children and had five grandchildren. As a member of the US Navy, Joe served during the Korean War. He graduated from the New York University School of Engineering and earned a Master’s Degree in Computer Science from Rutgers University. Joe retired from Bellcore as Executive Director of Software Development. As a member of The Yorktowne Club, a community benevolent organization located in Manalapan, Joe spent countless hours coaching sports, teaching and giving back to his community. Help us honor Joe and carry on the giving he did so freely. Joe Driscoll was a true gift to us all.

Christopher S. Gray was born and raised in Manalapan. Following graduation from Manalapan High School, he accepted a football scholarship from West Virginia University to play quarterback for the Mountaineers. He was employed by Cantor Fitzgerald as a foreign exchange trader at the time of the 9/11 attacks. He was engaged to be married to his college sweetheart Kelly. Chris was the son of former Manalapan Mayor and Yorktowne Club member, Jim Gray and his wife Janet; he had two brothers Jay and Tim.

Thomas J. McCann was a 23 year veteran of the New York City Fire Department, who was pending his retirement in January 2002. Tom was a member of Engine Company 65; he was one of the initial first responders when the twin towers were hit. He was a Manalapan resident who served as a coach and supporter of his children’s various athletic activities. He left behind his wife Anne Marie, his two children, Courtney and Sean and his brother, George, a Yorktowne Club member. All of who continue to reside in Manalapan.

EIGHTEENTH ANNIVERSARY

“WALK WITH JOE”

A Memorial 5K Walk
in Memory of

Patrick “Joe” Driscoll, Christopher Gray
and Thomas McCann.

2020 WWJ Mission

Now entering our 19th year, the Walk with Joe started in 2002 to remember the life of Joe Driscoll, who died on Flight 93 during that horrific September 11th day. Joe was a Founding member of the Yorktowne Club of Manalapan. Soon after, we included Chris Gray, son of Janet and Jim Gray, and Tom McCann, FDNY, brother of George McCann. Jim Gray was a member of the Yorktowne Club and we regret to say that he passed in 2019. George McCann is a current member of the Yorktowne Club, whose members have been the driving force behind the walk.

As we head towards the 20th anniversary in 2021, our mission remains the same. To remember the tragedy of that day, and to commemorate Joe, Chris, and Tom, along with the countless others who lost their lives on that day, and to those who continue to suffer the effects of September 11th. We hope you will join us this year and support us with walking and contributing to the walk. So far, we have raised over \$400,000 towards Joe’s charities, and for scholarships to Freehold Regional High School and West Virginia University in the name of Chris and Tom. Please help us meet our goal and please help us to never forget. Thank you.

The Annual “Walk with Joe” event has grown beyond a local tribute and has become one of the most significant 9/11 memorial activities in Monmouth County. Since the inception of the walk, there have been over 10,000 participants. The theme **“we will never forget”** becomes more applicable with each passing year.

We are asking for your support in helping us keep the spirit alive. The more sponsors we can count on, the more can be disbursed to area organizations in the name of “Walk with Joe.” Your contributions will help keep the memories of those who perished on that fateful day alive.
